

**CANDIDATE FOR DIRECTOR  
CHINO VALLEY INDEPENDENT FIRE DISTRICT**

**NAME: DAVID VOIGT**

**AGE: 64**

**OCCUPATION: Fire Director, Retired**

You elected me to three earlier terms on the Fire Board to use the same leadership and strategic planning skills that I developed and used as a Colonel in the United States Air Force and the Commander of Norton AFB. You asked me to keep our District on track in dealing with our communities' growth while maintaining a balanced budget. I did just that.

Since leaving the Fire Board in 2004, one of the Directors has pursued several personal law suits against the District and created an atmosphere of discord. Many times this has forced the District's attention away from its primary responsibility, to serve the needs of us, the citizens.

I believe that my leadership and strategic planning skills are required now more than ever to enable the District to focus on its major missions of both meeting today's demanding requirements and establishing a financially sound plan to deal with the rigorous growth of tomorrow.

Our communities must have the finest fire protection and emergency medical services financially possible. I believe I can make that happen for us all.

**Vote for DAVID VOIGT**—Proven Leader, Strategic Planner and Businessman!
